

# Senior Citizen Utility Discount Application

The City recognizes the need for exceptions to the culinary water and pressurized irrigation rate structure due to financial or other hardships.

A qualifying senior is defined as a person who qualifies for the Utah State Circuit Breaker property tax credit (Utah State publication 36), as administered by Utah County. Adjusted gross income is defined as gross income (wages, interest, dividends, capital gains/losses, etc.) minus adjustments to income (IRA contributions, alimony paid, etc.). Adjusted gross income is found on the following tax forms: Form 1040EZ, Line 4; Form 1040A, Line 21; and Form 1040, Line 37. To apply, qualifying seniors must complete the following written application and submit to:

American Fork City  
Attn: Senior Rate Abatement  
51 East Main  
American Fork, Utah 84003

The completed application must be accompanied with a copy of the above referenced tax form and a copy of your driver's license, state ID card or birth certificate. If the City determines the senior meets the requirements, the American Fork Utility Billing Department will install a pressurized irrigation meter and adjust the pressurized irrigation rate. The qualifying senior shall pay the pressurized irrigation rate of the approved base allowance rate for pressurized irrigation per month, for the first 8,000 gallons of PI water, and \$1.25 for each additional 1,000 gallons of PI water used per month. The City will waive the cost of meter installation for qualifying seniors; however, the qualifying senior's maintenance responsibilities, as provided by the ordinance, shall not be waived.

The discount for culinary water will be applied at a rate of 10% of the base rate of the adopted culinary rates.
