UNDER PRESSURE

WHAT IS P.I.?
Pressurized Irrigation (P.I.), or Secondary Irrigation, is the clean, but non-drinkable water used most often in sprinklers and gardening.

WHEN DOES P.I. START?
Pressurized Irrigation will open up to residents on April 15, and will run until October 15. However, the city begins to fill the P.I. system as early as April 1. In order to ensure your sprinklers are not damaged, follow the instructions in the “How to Prepare for P.I.” box in this section.

METERING P.I.?
Utah State Legislature just passed a bill requiring cities to begin metering P.I. for all new development starting in 2020, and to add secondary meters to existing development by 2039. American Fork City will work to develop a plan to transition current and new development to P.I. meters so we are in compliance with state law.

How to Prepare for P.I.
1. Make sure your P.I. water valve is shut off in your service box.
2. Turn sprinklers on or open up hose.
3. Make sure filter is clean and attached.
4. After April 15, slowly open up water valve in your service box.

WATER SCHEDULE
While water levels are better this year, the watering schedule is still important to maintain consistent water pressure throughout the city and establish good watering habits that meet yard needs while reducing overwatering. Visit the City’s Website to see 2019 watering schedule.

TALK SHOP WITH A COP: ANONYMOUS REPORTING

Citizens frequently ask if they can report a crime or problem and remain anonymous. The easy answer is that we will take anonymous reports and keep the reporting party anonymous whenever it is legally possible. We want people to feel comfortable to talk to the officer and pass on information whenever possible. We will make every attempt to look into your information regardless of how it was reported. However, sometimes we are unable to resolve a situation without a reporting party.

There can be additional challenges when trying to investigate an anonymous complaint. The courts have indicated that there is an increased level of credibility with an individual who has been willing to provide their name and contact information. This can make it easy to obtain search warrants and conduct the investigation. In addition, there are times that an officer may need to contact the reporting party and ask for more information or clarify various details of the complaint. This can help us resolve your situation in a more timely manner.

One potential solution is to provide the department and/or officer with your contact information so that they can make additional contact with you and followup and then ask the officer to keep your name out of the police report and investigative paperwork.

You are encouraged to contact the police department if you have any questions; e-mails may be sent to policetalkshop@afcity.net. Depending on the number and type of questions received, your question may be answered via the city newsletter, e-mail or phone call.

CHILD AND ELDERLY ABUSE
COMMUNITY PARTNERS IN POLICING
Monday, April 1 @ 7 pm
Gardner Community Room at Library
Come learn about the growing problem of child and elderly abuse and how you can spot it and stop it. Open question and answer session with the AF police about any topic afterwards.
CONSERVATION

Smart water management will help ensure sufficient water for all AF residents now, and into the future. Consider these tips from conservewater.utah.gov

**INDOORS**
- Turn off water when not in use, such as when brushing teeth or doing dishes
- Fix leaks
- Only wash full loads in washing machine or dishwasher
- Cover pool or spa
- Teach your children smart water habits
- Use drought tolerant plants
- Sweep instead of hosing off sidewalks & driveways
- Install energy efficient water-using appliances
- Shorter showers
- Raise lawnmower height to 3” to allow better shade coverage which will help avoid evaporation.
- Use a bucket to wash your car, or wash car on your lawn.

**OUTDOORS**
- Cover pool or spa
- Use drought tolerant plants
- Sweep instead of hosing off sidewalks & driveways
- Install energy efficient water-using appliances

- Use a bucket to wash your car, or wash car on your lawn.

**ELECTIONS**

This is an election year for American Fork City Council and there are 3 city council seats coming up for re-election. Candidate filing period will be the first week in June, with a primary in August as needed and the general election Nov 5.

In accordance with Utah County the election will be vote by mail. Residents should make sure they are registered to vote with the most up to date contact information. Visit www.vote.utah.gov to register, or call the Utah County Elections Office, 801-851-8128, for questions.

**TEA WITH A QUEEN!**

On April 16th all little princesses (and their parents) are invited to a tea party with current Miss American Fork, Taylor Colby! This tea party is a fundraiser for Children’s Miracle Network Hospitals who support our local Primary Children’s Hospital. 100% of the funds raised will go CMN Hospitals. Miss American Fork will be there, various of fun activities will happen, pictures taken and food served.

The event will be $20 to attend. Funds will go towards Children's Miracle Network Hospitals. The Tea Party will be from 6:00 p.m. to 7:30 p.m. on April 16 and will take place at the American Fork Senior Citizen's Center at 54 E Main St. Cost can be paid directly to Miss American Fork’s CMN link: https://www.missamericanforkkids.org/Contestant/TaylorColby# or can be paid that night!

For more information see Miss American Fork’s Instagram page @missamericanfork.ut or Facebook page @MissAmericanFork

**REVERSE 911**

American Fork City has a terrific emergency notification system (reverse 911) that can alert residents via phone call, voicemail, text, and email. But the success of our system is only as good as residents allow it to be. We highly recommend every resident, including renters, to sign up for emergency notifications by going to alerts.utahcounty.gov and creating an account. Make sure to select American Fork as your source for alerts. Creating your own account will ensure you’re not left out when an emergency hits.
