VISIT

It's time to celebrate our community and what makes us great! Steels Days is here.
One of the big changes is that the carnival will be at Art Dye Park. This will allow for more rides and conveniently places it near right next to the fairs, concerts, and fireworks already at Art Dye. For event times, locations, and tickets visit steeldaysaf.com.

STEEL DAYS JULY 12-20

American Fork city scoop

This 2019 July Issue of the American Fork city scoop includes information on various events happening in the community, such as Garden Tour, Horseshoe Tournament, Kickball Tournament, Miss AF Pageant, Spikeball Tournament, BBQ Cook Off, Car Show & Cruise, Golf Tournament, AF Symphony Concert, Discount Swim Day, Kids Splash Night, Free Zumba & Yoga, Baby Contest, Pickleball Tournament, Art & Quilt Shows, Carnival @ ART DYE, Tea with the Queen, Youth Dance, Steel Days Sing-off, Movie in the Park, Marching Band Breakfast, Grand Parade, Steel Days 5k/10k, Picnic/Fair, Big Show/Fireworks, and more.

The editorial focuses on Steel Days, a local event that is taking place from July 12 to July 20. The article highlights the various activities and shows the excitement for this community event.

The page also includes a list of sponsors, contacts, and other useful information, such as office numbers for different departments and non-emergency phone numbers for various services.
Fireworks is a great way to celebrate with friends and family, and the city wants to help with that. Residents are allowed to set off ground fireworks at all city parks and streets are permitted to set off aerials on city streets and at six approved parks. See map below for permitted locations or learn more at afcity.org/fireworks.

Please use fireworks responsibly and clean up after yourself at all public streets or parks. Be careful disposing of recently spent fireworks. Have fun!

American Fork will be holding a municipal election to fill three City Council seats. The candidate filing period was held in early June and the following six candidates filed:

- Daniel Copper
- Kyle Barratt
- Kevin J. Barnes
- Jeffrey C. Shorter
- Robert Shelton
- Clark P. Taylor

A General Election will be held on Tuesday, Nov 5, 2019 to vote on the three council seats. There will be no Primary Election. Details on the candidates can be found at afcity.org/elections.

Additionally the American Fork Chamber of Commerce will plan to hold some debates in the months preceding the election. You can find more details when they become available by going to americanforkchamber.org

The city will use vote by mail. Residents are encouraged to go to vote.utah.gov and register or make sure your registration is up to date; including your address.

**SIDEWALK SAFETY**

American Fork City asks that you be courteous to fellow residents by keeping your sidewalks clear for pedestrians. This would include brushes and overhanging trees. Summer is a great time to get out and walk around and we want to make sure it’s as enjoyable as possible for everyone.
During these hot summer months our police receive numerous calls for service related to children being left unattended in a vehicle. There are two laws that can be applied to these situations.

The first, City Ordinance 10.40.010 states, “It shall be unlawful for any person having in his care, custody, control or under his guidance any child under six years of age to leave such child unattended in any automobile, truck, trailer or other vehicle upon a public street, alley or parking lot open to the public. A child is unattended within the meaning of this section if he is left in the vehicle alone or if not alone, the oldest person with the child is under twelve years of age.” This ordinance applies year round, not just in the summer months.

The second law that applies is reckless endangerment. During the summer months the temperatures inside a vehicle can also create a substantial risk to the welfare of a child. Utah Code 76-5-112 indicates that a person commits reckless endangerment when they recklessly engage in conduct that creates a substantial risk of death or serious bodily injury to another person.

You are encouraged to contact the police department if you have any questions; e-mails may be sent to policetalkshop@afcity.net. Depending on the number and type of questions received, your question may be answered via the city newsletter, e-mail or phone call.

<th>FIBER FOR ALL</th>
</tr>
</thead>
<tbody>
<tr>
<td>Based on feedback from a recent broadband survey the city is considering setting up an open access fiber network called LightHub Fiber. This network will guarantee fiber in every home and business, while allowing internet services providers the option to use that network. This means the residents can get fast, reliable service at competitive prices.</td>
