CEMETERY CLEAN UP

We had a great Memorial Day and the cemetery was brimming with families visiting and honoring loved ones. In order to keep the cemetery trimmed and neat we will be doing our annual cleaning starting June 3. Please remove any decorations you wish to keep before then as they will be removed and discarded as part of the clean up.

COMMUNITIES THAT CARE

The American Fork Police Department has implemented a new program called Communities that Care (CTC) to better serve the citizens of American Fork and Cedar Hills. Communities that Care (CTC) is an evidence-based prevention program that is specifically tailored to each community. Scientific trials have shown CTC communities are 25% to 33% less likely to have health and behavioral problems. The program is currently funded by a grant from the Health Department at no cost to the city. It has also proven to be very cost effective, returning $5.30 in community benefits for every $1.00 spent. This should be a great resource in our efforts to improve the quality of life and safety of our communities, especially our youth. If you have questions about Communities that Care please contact Ashleigh, American Fork City’s CTC Coordinator, during business hours by calling the police office at 801-763-3020. You are encouraged to contact the police department if you have any general questions; e-mails may be sent to policetalkshop@afcity.net. Depending on the number and type of questions received, your question may be answered via the city newsletter, e-mail or a phone call.
