The Bryan McKay Eddington Learning Center, located on the basement floor of the City Library, is a resource to the community to help with reading, math and English as a second language. Volunteers spend countless hours year round working with children and adults to teach, educate, or help maintain what they learn at school.

GUIDED READING TUTORING
This summer the Learning Center is giving children the opportunity to increase their reading skills through guided reading tutoring. They will offer two sessions in the summer; session 1 is from Jun 12—29 and session 2 is from Jul 17—Aug 3. All sessions are from 9:00 a.m. to 11:30 a.m. Both sessions offer a Mon/Wed tutor time or a Tue/Thur tutor time.

SUMMER MATH WORKSHOP
Additionally, the Learning Center is offering a summer math workshop to help your children solidify the basics. Using the “Cool Tools Math Program,” instructor Evelyn Fannin will help your children with adding, subtracting, multiplying, dividing, fractions, and more. Workshop 1 will be Jun 12—29 and workshop 2 will be Jul 17—Aug 3. Both workshops are held Tue/Thur at 9, 10, and 11 a.m.

Three years after the Civil War ended, almost to the day, General John Logan, national commander of the Grand Army of the Republic, delivered his General Order No. 11 to a crowd in Washington D.C. In this order he proclaimed, “The 30th of May, 1868, is designated for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village and hamlet churchyard in the land.” From this order, Decoration Day came into effect, and was observed by decorating graves with flowers. Over time the Red Poppy flower, more than any other flower, came to symbolize remembering and honoring those whose blood was spilt in defense of our nation. Decoration Day became Memorial Day as part of the National Holiday Act of 1971, which also moved it to the last Monday in May.

The “National Moment of Remembrance” resolution, passed in 2000, asks for all Americans to “voluntarily and informally observe in their own way a Moment of remembrance and respect” at 3 p.m. local time. (Memorial Day Facts provided by usmemorialday.org)

**FIRE & RESCUE DEPARTMENT MEMORIAL DAY BREAKFAST**

American Fork Fire & Rescue invites everyone to their annual Memorial Day Breakfast. Start your holiday out right with a full breakfast served from 6 a.m. 10 a.m. on Monday, May 29, at the fire station located at 96 North Center Street.

While there you can get your picture taken with Smokey the Bear, tour some of the firetrucks and ambulances, experience what a crash feels like in UHP’s Crash Simulator, and get up close and personal with the Lifeflight helicopter.

Prices are $6 for adults and $3 for children under 12. Tickets will be sold at the Fire station starting May 1.

**AMERICAN FORK MEMORIAL DAY PROGRAM**

After you’ve had your fill at the Fire Department breakfast, head to the American Fork Junior High auditorium for the City’s Memorial Day Program, beginning at 11 a.m. This year’s program is entitled “Honoring our History” and will feature Mayor James Hadfield as keynote speaker. In addition to his service as Mayor, Hadfield spent over 30 years in military service, retiring as a Colonel in the Utah National Guard.

Additionally, the American Fork High School Marching Band and the Timpanogos Chorale will perform. The Memorial Day program is a time to reflect upon loved ones and veterans who have passed on.

The program will start at 11 a.m. at the AF Jr. High School Auditorium.

*We cherish too, the Poppy red
That grows on fields where valor led,
It seems to signal to the skies
That blood of heroes never dies.*
